Page 1: Page 1 - let's start!

Q1**Yes**

In your opinion, do the tasks developed and implemented in the project KAforHR so far, follow the project's objectives?

Q2**It might be slightly delayed**

Taking into consideration the tasks performed so far, please indicate your expectations in regards to meeting the project's deadlines?

Q3

Other (please specify):
 Communication problems with 2 partners

What have been the biggest challenges for you when implementing the project?

Page 2: Page 2

Q4**A great deal**

In your opinion, is the implementation of the KAforHR project an asset to both - beneficiaries of the project (for example SMEs, educational institutions or chambers) and project partners as it allows for the improvement/development of new skills and knowledge?

Q5**Agree**

The international composition of the partnership is an enrichment for the whole project approach.

Q6**Projects results that are useful**

How do you benefit from the international cooperation within the project?

Page 3: Page 3 - thank you so far

Q7

Regarding the product: Train the Trainer Program - how do you evaluate the following criteria?

Quality of the contents	Good
Suitability to the target group	Good
Translation of the contents	Excellent
Upsclaing potential	Good
Overall assessment	Good

Q8

Regarding the product: Project Website and Service Platform - how do you evaluate the following criteria?

Quality of the contents	Excellent
Suitability to the target group	Excellent
Translation of the contents	Excellent
Upsclaing potential	Excellent
Overall assessment	Excellent

Q9

Regarding the product: Best Practices Workplace Innovations - How do you evaluate the following criteria?

Quality of the contents	Excellent
Suitability to the target group	Good
Translation of the contents	Excellent
Upscaling potential	Good
Overall assessment	Excellent

Q10

Regarding the product: SMEs Prototypes - How do you evaluate the following criteria?

Quality of the contents	Good
Suitability to the target group	Excellent
Translation of the contents	Excellent
Upscaling potential	Good
Overall assessment	Excellent

Q11

Regarding the product: Training A "Employees on the way to Co-entrepreneurs" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Excellent
Suitability to the target group	Good
Upscaling potential	Good
Overall assessment	Excellent

Q12

Regarding the product: Training B "Digitization and Human Capital" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Excellent
Suitability to the target group	Excellent
Upscaling potential	Excellent
Overall assessment	Excellent

Q13

Regarding the product: Training C "Innovation Processes" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Average
Translation of the contents	Good
Suitability to the target group	Average
Upscaling potential	Average
Overall assessment	Average

Q14

Regarding the product: Existing dual bachelor's degree program "Business Administration for SMEs" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Excellent
Suitability to the target group	Excellent
Upscaling potential	Excellent
Overall assessment	Excellent

Q15

Regarding the product: Dual bachelor study program „Human Resources and Business Administration" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Good
Translation of the contents	Good
Suitability to the target group	Good
Upscaling potential	Good
Overall assessment	Good

Q16

4

On the scale 1 to 4 (where 1 means poor quality and 4 – high quality), how would you rate the quality of all project measures developed so far?

Page 4: Page 4

Q17

Strongly agree

In your opinion, can the developed project products be used successfully by you and other interested parties after the project ends?

Q18

To a great extent

To what extent can the project results (in their entirety or partly) improve the services offered by your institution?

Q19

Yes

Has all necessary support been provided within the project to enable you/your institution to use the project results independently?

Page 5: Page 5 - almost done ! Thank you

Q20

Yes

How do you assess the utility of the activity plan? Has it been a helpful tool for your individual project management?

Q21

Yes

How do you assess the utility of the dissemination plan? Has it been a good tool to achieve widespread dissemination of project results in your region/country?

Q22

Strong impact

How do you assess the impact of the dissemination activities done in the project?

Q23

How do you assess the assistance and support by the Lead Partner?

The assistance provided by the Lead Partner up to now has been

Excellent

Q24

No

Is there something that the Lead Partner can do better/differently in order to meet your expectations of good project leadership?

Q25

How do you rate the communication with the Lead Partner? (Multiple answers possible)

**Quick,
Clear,
Transparent,
Pleasant**

Q26

How do you rate the communication between the project partners? (Multiple answers possible)

**Pleasant,
Slow**

Page 6: Page 6

Q27

How do you assess the administrative burden of project implementation?

The administrative burden is

low

Q28

How do you assess the reporting/accounting in the project?

Reporting / accounting is

easy

Page 7: Thank you - That's it!

Q29

No

Thank you for your time. We appreciate your input very much. Any other suggestions / recommendations?

Upscaling potential	Good
Overall assessment	Good

Q15

Regarding the product: Dual bachelor study program „Human Resources and Business Administration" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Excellent
Suitability to the target group	Excellent
Upscaling potential	Excellent
Overall assessment	Excellent

Q16

3

On the scale 1 to 4 (where 1 means poor quality and 4 – high quality), how would you rate the quality of all project measures developed so far?

Page 4: Page 4

Q17

Agree

In your opinion, can the developed project products be used successfully by you and other interested parties after the project ends?

Q18

To a moderate extent

To what extent can the project results (in their entirety or partly) improve the services offered by your institution?

Q19

Has all necessary support been provided within the project to enable you/your institution to use the project results independently?

Partly (please specify):
The purpose of our organisation does not enable us to use all the products ourselves.

Page 5: Page 5 - almost done ! Thank you

Q20

Yes

How do you assess the utility of the activity plan? Has it been a helpful tool for your individual project management?

Q21

Yes

How do you assess the utility of the dissemination plan? Has it been a good tool to achieve widespread dissemination of project results in your region/country?

Q22

Some impact

How do you assess the impact of the dissemination activities done in the project?

Q23

How do you assess the assistance and support by the Lead Partner?

The assistance provided by the Lead Partner up to now has been

Very good

Q24

Is there something that the Lead Partner can do better/differently in order to meet your expectations of good project leadership?

Yes (please elaborate shortly):

Perhaps a bit more frequent dialogue with the partners, now mostly focused on partner meetings twice a year.

Q25

How do you rate the communication with the Lead Partner? (Multiple answers possible)

Smooth,

Quick,

Pleasant

Q26

How do you rate the communication between the project partners? (Multiple answers possible)

Pleasant,

Others (please specify):

some partners active, some very passive

Page 6: Page 6

Q27

How do you assess the administrative burden of project implementation?

The administrative burden is

high

Q28

How do you assess the reporting/accounting in the project?

Reporting / accounting is

hard

Any comments ?:

The timesheets are old-fashioned. Time to move to a webportal. Lump sums based on the member state never work. The reimbursement of staff costs should always be based on real costs of the partner organisation.

Page 7: Thank you - That's it!

Q29

No

Thank you for your time. We appreciate your input very much. Any other suggestions / recommendations?

Overall assessment	Good

Q12

Regarding the product: Training B "Digitization and Human Capital" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Not applicable
Suitability to the target group	Good
Upscaling potential	Excellent
Overall assessment	Excellent

Q13

Regarding the product: Training C "Innovation Processes" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Good
Translation of the contents	Not applicable
Suitability to the target group	Good
Upscaling potential	Good
Overall assessment	Good

Q14

Regarding the product: Existing dual bachelor's degree program "Business Administration for SMEs" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Good
Translation of the contents	Not applicable
Suitability to the target group	Good
Upscaling potential	Good
Overall assessment	Good

Q15

Regarding the product: Dual bachelor study program „Human Resources and Business Administration" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Good
Translation of the contents	Not applicable
Suitability to the target group	Good
Upscaling potential	Good
Overall assessment	Good

Q16

3

On the scale 1 to 4 (where 1 means poor quality and 4 – high quality), how would you rate the quality of all project measures developed so far?

Page 4: Page 4

Q17

Agree

In your opinion, can the developed project products be used successfully by you and other interested parties after the project ends?

Q18

To a moderate extent,
Some results in particular?:
Digitalization course

To what extent can the project results (in their entirety or partly) improve the services offered by your institution?

Q19

Yes

Has all necessary support been provided within the project to enable you/your institution to use the project results independently?

Page 5: Page 5 - almost done ! Thank you

Q20

Partly (please specify):
The activity plan should be updated online to guarantee the latest information.

How do you assess the utility of the activity plan? Has it been a helpful tool for your individual project management?

Q21

Partly (please specify):
The activity plan should be updated online to guarantee the latest information.

How do you assess the utility of the dissemination plan? Has it been a good tool to achieve widespread dissemination of project results in your region/country?

Q22

How do you assess the impact of the dissemination activities done in the project?

Other (Please specify):

The dissemination activities should be updated online to guarantee the latest information.

Q23

How do you assess the assistance and support by the Lead Partner?

The assistance provided by the Lead Partner up to now has been

Excellent

Q24

Is there something that the Lead Partner can do better/differently in order to meet your expectations of good project leadership?

Yes (please elaborate shortly):

Add some private Teams/Zoom meetings just to make sure that the activities are in line and progressing as planned.

Q25

How do you rate the communication with the Lead Partner? (Multiple answers possible)

**Smooth,
Quick,
Clear,
Transparent,
Pleasant**

Q26

How do you rate the communication between the project partners? (Multiple answers possible)

**Smooth,
Clear,
Pleasant**

Page 6: Page 6

Q27

How do you assess the administrative burden of project implementation?

The administrative burden is

low

Q28

How do you assess the reporting/accounting in the project?

Reporting / accounting is

easy

Page 7: Thank you - That's it!

Q29

Thank you for your time. We appreciate your input very much. Any other suggestions / recommendations?

No

Q1 **Yes**

In your opinion, do the tasks developed and implemented in the project KAforHR so far, follow the project's objectives?

Q2 **The stipulated deadlines will be met**

Taking into consideration the tasks performed so far, please indicate your expectations in regards to meeting the project's deadlines?

Q3 **Other (please specify):
pandemics Covid 19**

What have been the biggest challenges for you when implementing the project?

Page 2: Page 2

Q4 **A great deal**

In your opinion, is the implementation of the KAforHR project an asset to both - beneficiaries of the project (for example SMEs, educational institutions or chambers) and project partners as it allows for the improvement/development of new skills and knowledge?

Q5 **Strongly agree**

The international composition of the partnership is an enrichment for the whole project approach.

Q6 **New experiences**

How do you benefit from the international cooperation within the project?

Page 3: Page 3 - thank you so far

Q7

Regarding the product: Train the Trainer Program - how do you evaluate the following criteria?

Quality of the contents	Excellent
Suitability to the target group	Good
Translation of the contents	Excellent
Upsclaing potential	Excellent
Overall assessment	Excellent

Q8

Regarding the product: Project Website and Service Platform - how do you evaluate the following criteria?

Quality of the contents	Excellent
Suitability to the target group	Excellent
Translation of the contents	Excellent
Upsclaing potential	Excellent
Overall assessment	Excellent

Q9

Regarding the product: Best Practices Workplace Innovations - How do you evaluate the following criteria?

Quality of the contents	Excellent
Suitability to the target group	Good
Translation of the contents	Good
Upscaling potential	Excellent
Overall assessment	Excellent

Q10

Regarding the product: SMEs Prototypes - How do you evaluate the following criteria?

Quality of the contents	Good
Suitability to the target group	Excellent
Translation of the contents	Good
Upscaling potential	Excellent
Overall assessment	Excellent

Q11

Regarding the product: Training A "Employees on the way to Co-entrepreneurs" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Excellent
Suitability to the target group	Excellent
Upscaling potential	Excellent
Overall assessment	Excellent

Q12

Regarding the product: Training B "Digitization and Human Capital" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Good
Suitability to the target group	Excellent
Upscaling potential	Excellent
Overall assessment	Excellent

Q13

Regarding the product: Training C "Innovation Processes" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Excellent
Suitability to the target group	Good
Upscaling potential	Excellent
Overall assessment	Excellent

Q14

Regarding the product: Existing dual bachelor's degree program "Business Administration for SMEs" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Good
Translation of the contents	Good
Suitability to the target group	Excellent
Upscaling potential	Excellent
Overall assessment	Excellent

Q15

Regarding the product: Dual bachelor study program „Human Resources and Business Administration" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Excellent
Suitability to the target group	Good
Upscaling potential	Excellent
Overall assessment	Excellent

Q16

4

On the scale 1 to 4 (where 1 means poor quality and 4 – high quality), how would you rate the quality of all project measures developed so far?

Page 4: Page 4

Q17

Strongly agree

In your opinion, can the developed project products be used successfully by you and other interested parties after the project ends?

Q18

To a great extent

To what extent can the project results (in their entirety or partly) improve the services offered by your institution?

Q19

No

Has all necessary support been provided within the project to enable you/your institution to use the project results independently?

Page 5: Page 5 - almost done ! Thank you

Q20

Yes

How do you assess the utility of the activity plan? Has it been a helpful tool for your individual project management?

Q21

Yes

How do you assess the utility of the dissemination plan? Has it been a good tool to achieve widespread dissemination of project results in your region/country?

Q22

Strong impact

How do you assess the impact of the dissemination activities done in the project?

Q23

How do you assess the assistance and support by the Lead Partner?

The assistance provided by the Lead Partner up to now has been

Excellent

Q24

No

Is there something that the Lead Partner can do better/differently in order to meet your expectations of good project leadership?

Q25

Clear,

How do you rate the communication with the Lead Partner? (Multiple answers possible)

Transparent

Q26

Clear,

How do you rate the communication between the project partners? (Multiple answers possible)

Pleasant

Page 6: Page 6

Q27

How do you assess the administrative burden of project implementation?

The administrative burden is

very high

Q28

How do you assess the reporting/accounting in the project?

Reporting / accounting is

hard

Page 7: Thank you - That's it!

Q29

No

Thank you for your time. We appreciate your input very much. Any other suggestions / recommendations?

Page 1: Page 1 - let's start!

Q1**Yes**

In your opinion, do the tasks developed and implemented in the project KAforHR so far, follow the project's objectives?

Q2**It might be slightly delayed**

Taking into consideration the tasks performed so far, please indicate your expectations in regards to meeting the project's deadlines?

Q3

What have been the biggest challenges for you when implementing the project?

Other (please specify):

The development of dual study programme's concept required more timing than it was foreseen (also planning and implementation of the course testing)

Page 2: Page 2

Q4**A great deal**

In your opinion, is the implementation of the KAforHR project an asset to both - beneficiaries of the project (for example SMEs, educational institutions or chambers) and project partners as it allows for the improvement/development of new skills and knowledge?

Q5**Strongly agree**

The international composition of the partnership is an enrichment for the whole project approach.

Q6

How do you benefit from the international cooperation within the project?

Other (please specify):

I would say all the three first aspects "earned" because of the KAforHR

Page 3: Page 3 - thank you so far

Q7

Respondent skipped this question

Regarding the product: Train the Trainer Program - how do you evaluate the following criteria?

Q8

Regarding the product: Project Website and Service Platform - how do you evaluate the following criteria?

Quality of the contents	Good
Suitability to the target group	Good
Translation of the contents	Excellent

Q15

Regarding the product: Dual bachelor study program „Human Resources and Business Administration" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Excellent
Translation of the contents	Not applicable
Suitability to the target group	Good
Upscaling potential	Good
Overall assessment	Excellent

Q16

4

On the scale 1 to 4 (where 1 means poor quality and 4 – high quality), how would you rate the quality of all project measures developed so far?

Page 4: Page 4

Q17

Agree

In your opinion, can the developed project products be used successfully by you and other interested parties after the project ends?

Q18

To a moderate extent

To what extent can the project results (in their entirety or partly) improve the services offered by your institution?

Q19

Yes

Has all necessary support been provided within the project to enable you/your institution to use the project results independently?

Page 5: Page 5 - almost done ! Thank you

Q20

Yes

How do you assess the utility of the activity plan? Has it been a helpful tool for your individual project management?

Q21

Yes

How do you assess the utility of the dissemination plan? Has it been a good tool to achieve widespread dissemination of project results in your region/country?

Q22

Other (Please specify):

How do you assess the impact of the dissemination activities done in the project?

i can evaluate only ours part - and we put efforts to inform stakeholders about project (e.g. during the training for SMEs)

Q23

How do you assess the assistance and support by the Lead Partner?

The assistance provided by the Lead Partner up to now has been

Excellent

Q24

No

Is there something that the Lead Partner can do better/differently in order to meet your expectations of good project leadership?

Q25

Smooth,

How do you rate the communication with the Lead Partner? (Multiple answers possible)

Quick,

Pleasant

Q26

Smooth,

How do you rate the communication between the project partners? (Multiple answers possible)

Clear,

Transparent,

Pleasant

Page 6: Page 6

Q27

How do you assess the administrative burden of project implementation?

The administrative burden is

average

Q28

How do you assess the reporting/accounting in the project?

Reporting / accounting is

average

Page 7: Thank you - That's it!

Q29

No

Thank you for your time. We appreciate your input very much. Any other suggestions / recommendations?

Q20

Yes

How do you assess the utility of the activity plan? Has it been a helpful tool for your individual project management?

Q21

Partly (please specify):
We weren't able to achieve widespread dissemination because of the Covid-19 pandemics.

How do you assess the utility of the dissemination plan? Has it been a good tool to achieve widespread dissemination of project results in your region/country?

Q22

Strong impact

How do you assess the impact of the dissemination activities done in the project?

Q23

How do you assess the assistance and support by the Lead Partner?

The assistance provided by the Lead Partner up to now has been

Excellent

Q24

No

Is there something that the Lead Partner can do better/differently in order to meet your expectations of good project leadership?

Q25

How do you rate the communication with the Lead Partner? (Multiple answers possible)

**Smooth,
Quick,
Clear,
Pleasant**

Q26

How do you rate the communication between the project partners? (Multiple answers possible)

**Quick,
Transparent,
Pleasant**

Page 6: Page 6

Q27

How do you assess the administrative burden of project implementation?

The administrative burden is

average

Q28

How do you assess the reporting/accounting in the project?

Reporting / accounting is

average

Page 7: Thank you - That's it!

Q29

No

Thank you for your time. We appreciate your input very much. Any other suggestions / recommendations?

Page 1: Page 1 - let's start!

Q1 **Yes**

In your opinion, do the tasks developed and implemented in the project KAforHR so far, follow the project's objectives?

Q2 **It might be slightly delayed**

Taking into consideration the tasks performed so far, please indicate your expectations in regards to meeting the project's deadlines?

Q3 **Time schedule for tasks**

What have been the biggest challenges for you when implementing the project?

Page 2: Page 2

Q4 **A lot**

In your opinion, is the implementation of the KAforHR project an asset to both - beneficiaries of the project (for example SMEs, educational institutions or chambers) and project partners as it allows for the improvement/development of new skills and knowledge?

Q5 **Agree**

The international composition of the partnership is an enrichment for the whole project approach.

Q6 **Projects results that are useful**

How do you benefit from the international cooperation within the project?

Page 3: Page 3 - thank you so far

Q7

Regarding the product: Train the Trainer Program - how do you evaluate the following criteria?

Quality of the contents	Good
Suitability to the target group	Good
Translation of the contents	Good
Upsclaing potential	Average
Overall assessment	Good

Q8

Regarding the product: Project Website and Service Platform - how do you evaluate the following criteria?

Quality of the contents	Good
Suitability to the target group	Good
Translation of the contents	Good
Upsclaing potential	Good
Overall assessment	Good

Q9

Regarding the product: Best Practices Workplace Innovations - How do you evaluate the following criteria?

Quality of the contents	Good
Suitability to the target group	Good
Translation of the contents	Good
Upscaling potential	Good
Overall assessment	Average

Q10

Regarding the product: SMEs Prototypes - How do you evaluate the following criteria?

Quality of the contents	Not applicable
Suitability to the target group	Not applicable
Translation of the contents	Not applicable
Upscaling potential	Not applicable
Overall assessment	Not applicable

Q11

Regarding the product: Training A "Employees on the way to Co-entrepreneurs" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Not applicable
Translation of the contents	Not applicable
Suitability to the target group	Not applicable
Upscaling potential	Not applicable
Overall assessment	Not applicable

Q12

Regarding the product: Training B "Digitization and Human Capital" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Not applicable
Translation of the contents	Not applicable
Suitability to the target group	Not applicable
Upscaling potential	Not applicable
Overall assessment	Not applicable

Q13

Regarding the product: Training C "Innovation Processes" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Good
Translation of the contents	Good
Suitability to the target group	Good
Upscaling potential	Good
Overall assessment	Good

Q14

Regarding the product: Existing dual bachelor's degree program "Business Administration for SMEs" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Not applicable
Translation of the contents	Not applicable
Suitability to the target group	Not applicable
Upscaling potential	Not applicable
Overall assessment	Not applicable

Q15

Regarding the product: Dual bachelor study program „Human Resources and Business Administration" - how do you evaluate the following criteria of the product developed so far?

Quality of the contents	Not applicable
Translation of the contents	Not applicable
Suitability to the target group	Not applicable
Upscaling potential	Not applicable
Overall assessment	Not applicable

Q16

3

On the scale 1 to 4 (where 1 means poor quality and 4 – high quality), how would you rate the quality of all project measures developed so far?

Page 4: Page 4

Q17

Agree

In your opinion, can the developed project products be used successfully by you and other interested parties after the project ends?

Q18

To a moderate extent

To what extent can the project results (in their entirety or partly) improve the services offered by your institution?

Q19

Yes

Has all necessary support been provided within the project to enable you/your institution to use the project results independently?

Page 5: Page 5 - almost done ! Thank you

Q20

Yes

How do you assess the utility of the activity plan? Has it been a helpful tool for your individual project management?

Q21

Yes

How do you assess the utility of the dissemination plan? Has it been a good tool to achieve widespread dissemination of project results in your region/country?

Q22

Some impact

How do you assess the impact of the dissemination activities done in the project?

Q23

How do you assess the assistance and support by the Lead Partner?

The assistance provided by the Lead Partner up to now has been

Very good

If you chose weak or very bad, please comment why:

Sometimes it takes more time to get the answer and it makes you forget that you asked it.

Q24

No

Is there something that the Lead Partner can do better/differently in order to meet your expectations of good project leadership?

Q25

Clear,

How do you rate the communication with the Lead Partner? (Multiple answers possible)

**Transparent,
Pleasant**

Q26

Slow,

How do you rate the communication between the project partners? (Multiple answers possible)

Unclear

Page 6: Page 6

Q27

How do you assess the administrative burden of project implementation?

The administrative burden is

high

Q28

How do you assess the reporting/accounting in the project?

Reporting / accounting is

average

Page 7: Thank you - That's it!

Q29

No

Thank you for your time. We appreciate your input very much. Any other suggestions / recommendations?
